FOR IMMEDIATE RELEASE

ARGY, WILTSE & ROBINSON OPENS BETHESDA OFFICE

McLean, VA — January 10, 2008 — Argy, Wiltse & Robinson, P.C. (AWR), a rapidly-growing certified public accounting and business advisory firm, is pleased to announce the opening of a fourth office in Bethesda, MD. The office will accommodate many current AWR clients and employees and serve to attract more clients and professionals who are located in Maryland.

“We have been looking for the right time and place to open an office in Maryland,” said Paul Argy, AWR’s President & CEO. “With over 18% growth in 2007 and expecting even more rapid growth in 2008, we are outgrowing our Virginia space and have always seen Bethesda as an area of natural expansion. The Bethesda location will allow us to better serve existing and new clients in Maryland, as well as improve the work-life balance of our Maryland-based employees.” AWR currently has approximately 218 employees, about 185 of whom are located in the Washington area.

The office will be located at Two Democracy Center, 6903 Rockledge Drive, and can accommodate approximately 50 employees. Plans are to occupy the space by mid to late February 2008.
